Re: BZA Case No. 20869 (336 11th Street, NE)

Dear Secretary of the Board of Zoning,

At a regularly scheduled and properly noticed meeting¹ on April 13th, 2023 our Commission voted 6-0-0 (with 4 Commissioners required for a quorum) to support the request for special exception relief pursuant to Subtitle E § 5201 and Subtitle X § 901.2 from the lot occupancy requirements of Subtitle E § 304.1 to construct a rear and side addition to an existing attached, two-story with cellar, principal dwelling unit in the RF-1 zone.

The designer has taken measures to ensure that the addition is in the character of the neighborhood and it will not disrupt the privacy, air, and light of neighbors. The owner has proven that the special exception criteria have been met through submission of architectural elevations and discussions with neighbors. The ANC believes that this development will not substantially visually intrude upon the character, scale, and pattern of houses in the neighborhood.

Please be advised that Commissioner Moilanen, Brad Greenfield and I are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at 6A04@anc.dc.gov, Commissioner Moilanen at 6A07@anc.dc.gov, and Mr. Greenfield can be contacted at brad.greenfield@gmail.com.

On behalf of the Commission,

Amber Gove, Chair, Advisory Neighborhood Commission 6A
